Announcement by Pres. - Timing and content - can't yet be determined. Probably disclosure or rumors will be swift and he ~~will~~ ^{may have to} say something by Friday or Saturday. What he says at that time and subsequently can only be determined by the facts. Shamed still facts & missiles - under constant surveillance and further steps are being taken consistent with his previous statement.

1. US official, (preferably one who was known to be sympathetic with the original Castro resolution) should go at once on unpublicized visit to Castro carrying message from Pres. and groups. (Why is he a danger to US, if US which has far more missiles is not a danger to him? What proviso of Latin Am. agreements gives us right in self defense to knock out southern Cuba? Don't we have to take position that Soviet missiles in Cuba are a threat to the hemisphere from outside? Must have good brief on justification for attack of Cuban bases set up by him.) Message should demand 1 ground 2 IRBMs as we will when?
2. Message on increase of gcs simultaneously to Khrushchev to deliver Pres' message and ultimate purpose. (Message delivered to Kennedy on Thursday? Not until all plans prepared.) ~~Demand that it get to message recites~~ message to CEC, including demand to withdraw 12 BMs.

Encouraging from Pres. Luther - emphasizes graciously - affords chance
of finding out the motives. Must & be prepared for -
a vigorous shot if the home base in Foster, Tx, they have right to
have base in Cuban ~~islands~~ ~~anywhere~~ that's later. An option
presented now? Other abrogation to protect hemisphere?

How much time to reserve? What do we do? What are
we going to do? Will be ultimatum against Turkey etc?
Against Berlin? Laos? South Vietnam? Do we
say all bases are negotiable but not while he has
1234, in Cuba? 6

all the laws must be obeyed.

3. After - you got some time? - wait to loaded & R - destroy UK, France, Germany and then all of NA's earned, about what we know, what we are going to do & when? Well, and native start long struggle and destroy our nation, dangerous? If so much native, will allies attack us?

4. Also ~~step~~ a day after (?) messages delivered to C & O
we call CAS meeting to tell them ~~what~~ facts and
proposed action - and proliferate under title An act;
must be prepared to make full disclosure and act
promptly after CAS meeting without mistake.

Announcement by US. - timing and content -
can't yet be determined. Probably disclosure or rumors
will be swift and he ^{may have to} say something by Friday or
Saturday. What he says at that time and subsequently
can only be determined by the facts. Should self fact, i.e. missiles -
under constant surveillance and further steps are being taken consistent with his
^{previous statement}

1. US. afficeat, (preferably one who was known to be
sympathetic with the original Castro resolution) should
go at once on unpublicized visit to Castro carrying
message from Pres. and people. (Why is he a danger
to US, if US which has far more missiles is not a danger
to him? What provision of Inter-Cm. agreements gives
us right in self defense to knock out missiles Cuba?
Don't we have to take position that direct missiles in
Cuba are a threat to the hemisphere from outside? Don't
we have good brief on justification for attack of Castro doesn't
get rid of them.) Message should demand (or, if 2 IRBMs
in one will when?)
2. Message on necessary goes simultaneously to Kuehner to
deliver Pres' message and exhibit press, (Message
delivered to Kennedy on Thursday? Not until all plans
prepared.) ~~Demand that he get no message unless~~
message to C, including demand to get rid of IRBMs.

Emergency from Pres. letter - emphasizes gravity - affords chance
of thinking out the situation. Must be prepared for
a general shot if the USSR has a "no say" to the right to
have base in Cuba. ~~is it a military base with an air system~~
protect us? Other allegation to protect hemisphere?
How much time to plan? What do we say we are
going to do? Will be ultimatum against Turkey etc?
Against Berlin? France? South Vietnam? Do we
say all bases are negotiable but not where he has
1 RDTM, in Cuba? 6

All other bases must be cleared.

3. After - go at sometime? - wait to contact UK - satisfy UK,
France, Germany and then all of NATO command about what
we know, what we are going to do & when? Will and notice
start long struggle and delay an action dangerously? If no
such notice, will allies accept us?

4. Also ~~step~~ a day after(?) message delivered to C & K
we call CAS meeting to tell them ~~what~~ facts and
proposed action - and justification under still an act.
Must be prepared to make full public disclosure and our
friends, especially B & G, making most confident

1. Demand P. & Co. account about slips taken and
for cause by contractor strike by him as to do. Can
be timely recovered steps ~~not~~ taken & cause due of
just action in court? How long before struck?

Strike and bill rendered later effect?

..... Otherwise probably, was performed?
